WELCOME

Solid wood furniture, made in Cape Town for homes, hotels and lodges

Eco Furniture Design has designed and made solid wood and modern industrial furniture in Cape Town since 2010. Every piece is built in our Ottery factory with traditional mortise and tenon joinery and arrives fully assembled.

All eight ranges are made in SA Pine, Blackwood, Ash and Oak. Choose ready stock in our showrooms, order any piece made to order, or have something built to your own size or drawings.

TIMBERS & FINISHES

Every range, in four timbers

Our water-based stains are custom colour-matched, so the colours are only available at EFD, and are sealed with a low-VOC water-based clear coat. A clear finish is recommended on Oak and Blackwood; stains look especially good on Ash and SA Pine. Shown on the Charlie Round Side Table.

ORDERING & INFORMATION

Buy direct from the maker

How to order

Visit our Tygervalley or Claremont showroom, WhatsApp the office on 061 058 3440, or shop online at ecofurnituredesign.com. Ready stock is available in the showrooms; everything else is made to order in our Cape Town factory.

Prices

All prices are in South African Rand and include VAT. Prices are subject to change without notice. E&OE.

Payment

EFT, Stitch and Payflex.

Lead times

Made-to-order lead times vary by season and item, and custom pieces take longer. Ask us for current lead times when you order.

Delivery & collection

Every piece is bubble-wrapped. We deliver across South Africa and ship to Africa and the SADC region, quoted per area. Larger orders are collected from our Ottery factory; small pieces can be collected from the showrooms.

Assembly & access

Furniture arrives assembled. Headboards detach for transport and four-poster beds are assembled in the room. Please check doors, stairs and passages before ordering.

Custom sizes

Any piece can be resized or refinished, and we build to your own or your designer's drawings.

Warranty

All EFD furniture carries a 5-year warranty.

BED SIZE GUIDE

Slats included. Extra length (2000 mm) on every bed for R880.
